

為健康 做測試

For your health, Get tested!

邊個要做HIV測試?

Who should have an HIV test?

曾有性行為，
又未做過HIV測試，
就至少測試一次喇！

If you ever have sex but not yet been tested for HIV, let's get tested now!

20
分鐘

就知結果

Get result in
20 minutes

你亦可於網站預約愛滋病輔導及測試服務，由護士輔導員進行評估及HIV測試。

You can also make an appointment for [AIDS Counselling and Testing Service](#) on the website. Services include assessment and HIV test by nurse counsellors.

瀏覽「HIV測試服務網站」(www.hivtest.gov.hk)了解更多與愛滋病相關的健康資訊。

To know more about AIDS, visit the HIV Testing Service website (www.hivtest.gov.hk).
